About Us

We are the first aluminium outdoor furniture manufacturer in Turkey.

The company history starts in the 1964, expert in non-ferrous metal casting, started his own foundry in Antalya. The creative craftsmanship of aluminium implies high-precision and in depth-knowledge of the material and production processes.

The know-how acquired by its founder, rapidly turned Forgemobili into a leading company in this sector.

The Garden furniture has developed over year 2008 , after the automotive aluminium part production finished . Our team is strongly believes in the qualities of this metal: it is light, strong and doesn't rust.

Forgemobili is well on its way to becoming a trend-setting brand in the world of indoor and outdoor aluminium furniture.
