İstanbul Galata

Galata is a place where history and culture converge, offering a timeless allure in the heart of İstanbul. Its narrow streets, stone buildings, and the iconic Galata Tower create an atmosphere of old-world charm blended with vibrant energy. Once a historic meeting point for diverse cultures, Galata today is alive with art galleries, antique shops, and boutique cafés, making it an ideal destination for outdoor enjoyment. Inspired by this storied district, the Galata chair and armchair capture its essence with sleek lines and a natural color palette, infusing any outdoor space with charm and character.

Marmara

The new color Marmara, draws inspiration from the stunning shades of the Marmara Sea from Istanbul's most beautiful complement. This special color brings a refreshing sea breeze to your spaces, creating a strong and peaceful atmosphere. Its seamless harmony with warm tones adds depth and elegance to outdoor spaces. Evoking the gentle rhythm of waves and the calm of open waters, Marmara enriches every corner it touches, creating an atmosphere that feels both timeless and captivating.

İ s t a n b u l B a l a t

The new model Balat draws inspiration from one of Istanbul's historic districts, a place alive with the vibrancy of cultural diversity. Its streets and architecture tell stories of shared traditions, colorful facades and open-air gatherings. Reflecting this rich heritage, Balat chair and armchair feature an impressive design, complemented by a palette of rich, attractive colors. Combining the historical texture and cultural richness of Balat with a modern interpretation, the Balat chair creates a sophisticated atmosphere in any space.

Bomonti

Bomonti is a district where history and modernity coexist in perfect harmony. Known by this name since the late 19th century, Bomonti today offers both a modern lifestyle and enchanting allure of history. As you stroll along its cobblestone streets, you can hear whispers of the past in the shadow of historic buildings. Former factories, now reimagined as cultural centers, art galleries, and stylish cafes, breathe new life into the area. Bomonti's unique character attracts all visitors, inviting them to experience a vibrant blend of heritage and innovation.

İstanbul Bomonti

Bomonti stands as a renovated expression of Istanbul's ever-changing and dynamic spirit. Known for its lively atmosphere, it hosts live music performances, art exhibitions, and film screenings, all complemented by the exceptional flavors of its stylish restaurants. Bomonti has a unique balance between the nostalgic charm in the shadow of historical buildings and the vibrant energy of modern life. Bomonti invites you to sit, sip, and embrace the lively pulse of city life.

Inspired by the fortresses guarding Istanbul's history, Hisar chair and armchair is a testament to strength and elegance. In living spaces, Hisar is not just a furniture, but also a story from the depths of history. The strong and balanced lines, illustrate the stone craftsmanship of the fortresses, are re-designed with an aesthetic harmony. The details on the backrest come from the silhouette of the fortress towers, while the smooth transitions on the seating surface and the ergonomic design prioritize user comfort.
