60 YEARS OF
GOOD DESIGN

About Us

resa

Since its foundation was laid in 1958 by Metin Atabey Ata in a metal workshop in Sivas, Ersa has grown into one of Turkey's most prominent furniture manufacturer with innovative, high-quality products, exporting to 41 countries across the world.

As the company continues to maintain its design and innovation focused growth year after year, Ersa celebrated its 60th anniversary with a product range developed for workspaces, and now enriched with furniture designed for living spaces.

Product

Ranking as one of the biggest manufacturers within the sector with its 4,5 million square meters panel boards, 500.000 linear meter of laminated panels and 530.000 pieces of furniture production capacity at the 60,000 square meters production plant in Ankara; Ersa adopts an environmentally friendly and innovative production approach with the structural features of its production facilities.

60+ International Design Awards

As Ersa adopts the principle of adding a value to the future, the firm has advanced, in this context by preserving and developing its design perspective, since the day it was founded. Reinforcing its innovative, modern and developer approach to design with more than 60 national and international awards, the company maintains this vision and improves it day by day through collaborations with numerous Turkish and international designers.

Ersa Studio

Driven by its passion for good design since the very beginning, Ersa collaborates with numerous Turkish and international designers, and also offers designs by some of the leading brands to the Turkish market through global partnerships.

As the winner of more than fifty prestigious local and international awards, Ersa believes in the power of good design and addresses design together with the idea behind it, developing and masterfully crafting products to offer users new and unique experiences beyond function.

Designers

Driven by its passion for good design since the very beginning, Ersa collaborates with numerous Turkish and international designers, and also offers designs by some of the leading brands to the Turkish market through global partnerships. As the winner of more than fifty prestigious local and international awards, Ersa believes in the power of good design and addresses design together with the idea behind it, developing and masterfully crafting products to offer users new and unique experiences beyond function.

Ersa Studio

Ersa adopts a technological, innovative and environmentally friendly approach to production, and aims to offer innovations with high added value in all processes from raw materials to end products by investing in production as well as R&D and design capabilities. Having launched Turkey's first R&D and Design Center in the office furniture industry in 2017, Ersa carries out activities for the development and production of raw materials and semi-finished products to support innovative and technological design in the furniture industry.

Corporate

Ersa underlines comfort and aesthetics in interiors of public institutions with a philosophy of high quality and trust.
