CUSTOM MADE OUTDOOR RUGS

The collaboration between **DFN** and **Pierre Frey** gave life to an exclusive **collection of custom-made rugs**. Hand-tufted rugs, with a choice of **16 colors**, available in **any size**. The carpets have the same appeal and touch of those for indoor use but are made with a **premium acrylic yarn** which gives resistance to abrasion and weathering.

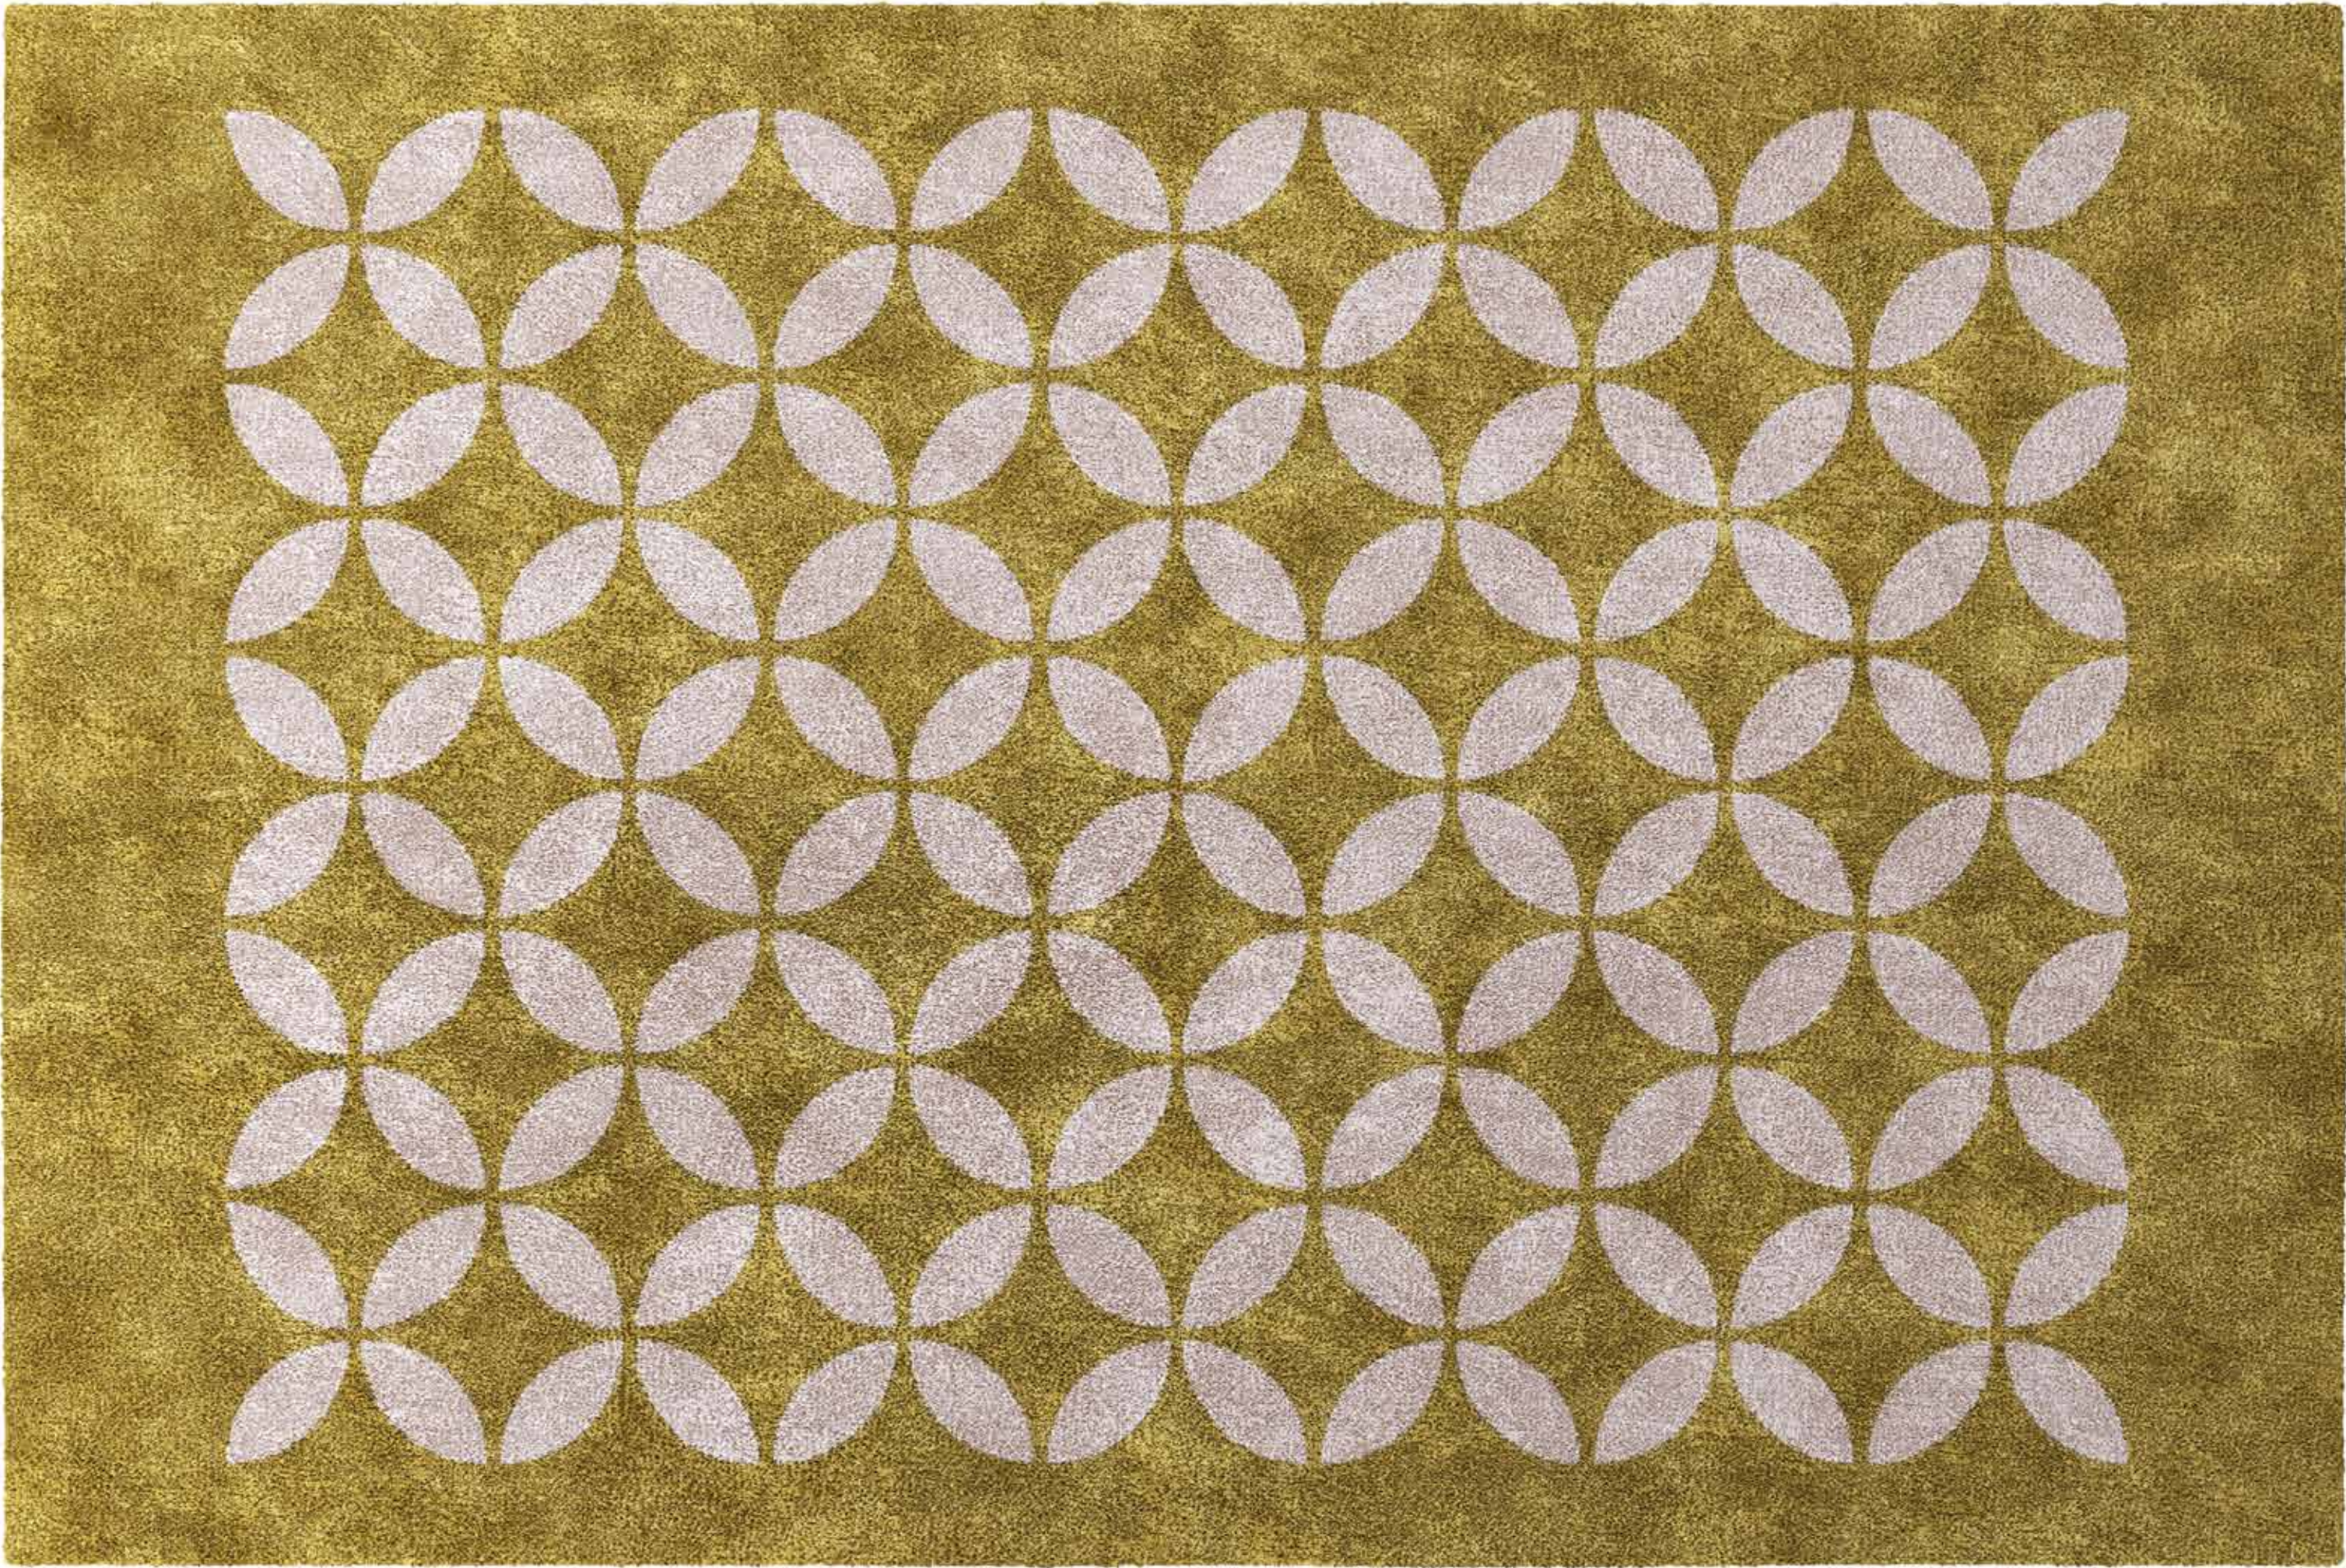

A rug is created through an alchemy of various elements that involves choice of design and finishing.

In the next pages you will find an overview of rugs with the colors combination designed by DFN and Maison Pierre Frey, together with the entire range of colors available to be matched as you wish.

TAPPETI DA ESTERNO SU MISURA

La collaborazione tra **DFN** e **Pierre Frey** ha dato vita ad una collezione esclusiva di **tappeti su misura**. Tappeti taftati a mano, con una scelta di **16 colori**, disponibili in **qualsiasi dimensione**. I tappeti hanno lo stesso fascino e tocco di quelli utilizzati all'interno, ma sono realizzati con un **filato acrilico premium** che conferisce resistenza all'**abrasione** e agli **agenti atmosferici**. **Un tappeto si crea attraverso un'alchimia di vari elementi che include la scelta del design e delle finiture.**

Nelle prossime pagine troverete una panoramica dei tappeti con la combinazione di colori studiata da DFN e Maison Pierre Frey, insieme all'intera gamma di colori disponibili da abbinare a vostro piacimento.
