The background of the entire page is a close-up, high-resolution image of a wood grain. The grain lines are wavy and run diagonally from the top-left towards the bottom-right. The color is a warm, reddish-orange or terracotta hue. The texture is very detailed, showing the natural patterns and imperfections of the wood.

Very Wood è un marchio che raccoglie una raffinata collezione di sedie, poltrone, divanetti e sgabelli per ristoranti e aree pubbliche e, in generale, per gli ambienti dedicati all'ospitalità. L'azienda coniuga un design funzionale all'innata passione per il legno, l'artigianalità, la cura dei dettagli e la qualità dei materiali naturali. Una raccolta di forme classiche e legate al "Made in Italy", reinterpretata in chiave moderna per ambienti contemporanei capaci di soddisfare gli standard internazionali legati al mondo Contract.

*Very Wood is a sophisticated collection of dining chairs, armchairs, small sofas and bar stools for restaurants and public areas in hospitality environments. The Company combines functional design with passion for wood, artisan craftsmanship, attention to details and quality of natural materials. This is a collection of classic designs "Made in Italy", revisited and re-interpreted for today's environments, that meets all international standards for Hospitality and Contract furniture.*

Very Wood è frutto di una profonda armonia tra il lavoro delle macchine e dell'uomo, tra lavorazioni seriali e soluzioni specifiche e personalizzate, calibrate sulle caratteristiche uniche di ogni intervento, spazio, ambiente. In una sola parola: Contract.

*Very Wood is the culmination of the deep rooted harmony achieved between man and machine, be it across standard production or custom solutions, tailored to the unique features of every project, space, context. A unique word: Contract*

**Very Wood**

Company

Grande capacità produttiva e know-how tecnologico, necessari per realizzare grandi progetti.

*Great production capability and technological know-how, needed to carry out large projects.*

Una visione verso il futuro,  
consapevole del passato e stimolata  
dal presente, un impegno costante  
nel design, nella ricerca e nel  
progetto ma anche nella produzione  
e nella distribuzione.

*A look into the future, with  
awareness of the past and yet  
stimulated by the present.  
A constant commitment to design,  
research and development but also  
to production and distribution.*

design — Matteo Thun

Collezione composta da poltroncina dining sovrapponibile, poltrona lounge sovrapponibile, divanetti lounge, lettino, pouf, panca, tavoli e tavolini in iroko oliato. Cuscini sfoderabili imbottiti in espanso idrorepellente. Tavoli e tavolini con piani a doghe di legno massello. I cuscini delle sedute possono essere forniti senza piping, su richiesta. L'iroko oliato, dopo l'esposizione alla luce e alle intemperie, cambia colore e necessita di nuove oliature, la cui frequenza dipende dalle condizioni atmosferiche cui è sottoposto il manufatto. L'esposizione alle intemperie non compromette la stabilità del prodotto, ma può tuttavia causare delle fessurazioni nel legno. Si consiglia pertanto un'adeguata protezione. Si raccomanda di coprire adeguatamente i tavolini.

Collection composed by stacking dining armchair, stacking lounge armchair, lounge settee, lounge, poufs, bench, dining tables and side tables in oil treated iroko. Cushions with removable covers with piping and water-repellent foam. Tables and coffee tables with top in slatted solid wood. Seat cushions can be supplied without piping, upon request. Oil treated iroko, after exposure to sun and to bad weather, changes color and needs new oiling. Frequency of oil treatment depends on the weather conditions to which the product is subjected. The exposure to bad weather does not affect the product's stability but can however cause cracks in the wood. We therefore recommend a proper protection and an adequate covering of the tables.

foto/pictures → p 172

L'intreccio del sedile può essere monocolore o bicolore. Se bicolore, salvo diverse indicazioni sugli ordini, il primo colore indicato viene utilizzato per l'intreccio orizzontale, il secondo per l'intreccio verticale.

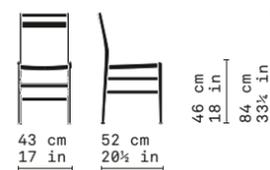

/The woven seat can be supplied in one or two colors. If two colors are ordered, unless otherwise indicated, we will use the first color for the horizontal weave and the second color for the vertical weave.

Le macchie più comuni si possono in gran parte rimuovere intervenendo velocemente con i normali prodotti neutri di pulizia. Per un intervento più energico si può utilizzare la candeggina. In entrambi i casi si seguano le istruzioni relative ai prodotti di pulizia impiegati. Importante: quanto sopra vale per tutti i colori di cordino escluso il bianco, che tende a rimanere macchiato.

/The most common stains can be largely removed by acting quickly with normal neutral cleaning products. For a thorough cleaning bleach can be used. In either case, follow the cleaning products' instructions. Important: above instructions are valid for all rope colours except the white one that could remain stained.

design — Sebastian Herkner

Collezione composta da sedia, poltroncina, poltrona lounge, divanetto, dondolo e tavolini in iroko, schienale intrecciato in corda nautica e seduta imbottita gomma idrorepellente. Tavolini in iroko con piano in legno massello, per esterno coperto. L'iroko può essere fornito grezzo oppure trattato con olio. Se grezzo, dopo l'esposizione alla luce ed alle intemperie l'iroko tende a virare di colore e può presentare delle screpolature. Se oliato, dopo l'esposizione alla luce e alle intemperie, cambia colore e necessita di nuove oliature, la cui frequenza dipende dalle condizioni atmosferiche cui è sottoposto il manufatto. L'esposizione alle intemperie non compromette la stabilità del prodotto, ma può tuttavia causare delle fessurazioni nel legno. Si consiglia pertanto un'adeguata protezione. Si raccomanda di coprire adeguatamente i tavolini.

Collection composed by chair, armchair, lounge armchair, settee and rocking chair in iroko. Seating furniture with woven back in nautical rope and upholstered seat with water-repellent foam. Coffee tables in iroko with top in solid wood, for covered outdoor. Iroko can be supplied raw or oil treated. If raw, after exposure to sun and to bad weather, iroko may vary in color and show some cracks. When oil treated, after exposure to sun and to bad weather, it changes color and needs new oiling. Frequency of oil treatment depends on the weather conditions to which the product is subjected. The exposure to bad weather does not affect the product's stability but can however cause cracks in the wood. We therefore recommend a proper protection and an adequate covering of the tables.

Zant

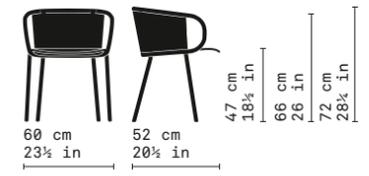

design — Patricia Urquiola

Collezione in frassino composta da:  
poltroncina dining, poltrona lounge e  
sgabello. Schienale e sedile imbottiti.  
Per la realizzazione di tutti i modelli  
Zant/Zantilam vengono utilizzati  
componenti in frassino curvato a  
vapore. Questa particolare tecnica  
produttiva non garantisce al legno, in  
quanto elemento vivo, raggi di curvatura  
costanti. Pertanto non possiamo  
garantire la perfetta simmetria delle  
curve.

Collection in ashwood composed by  
dining armchair, lounge armchair,  
barstool with upholstered back.  
For all models of Zant and Zantilam  
collection the components are in steam  
bent ashwood. This peculiar production  
method does not allow to wood, as a  
natural material, to keep constant  
bending radiuses. For this reason we  
cannot guarantee the perfect symmetry  
of shapes.
