DESIGN

Busetti Garuti Redaelli, 2020

EN — Buddyhub is characterized by a wrap-around, sound absorbing panel which envelops the seat in a sort of enclosed niche. Available as an armchair or sofa, it can be used as a temporary sound-proofed workstation. It is also possible to place two units opposite each other and to join them by means of a panel to which a table can be attached, thus creating an informal meeting space or break area. A large seat, in polyurethane foam supported by elastic belts, and a cosy backrest offer exceptional comfort.

IT — Buddyhub è caratterizzato da un pannello fonoassorbente perimetrale che abbraccia l'imbottito creando una sorta di rifugio dall'ambiente circostante. Disponibile nella versione poltrona o divanetto, si configura come postazione di lavoro temporanea. Ponendo i due elementi uno di fronte all'altro, uniti tra loro da un pannello a cui può essere fissato un tavolino, danno vita a spazi pensati per ospitare meeting informali e aree break-out. La dimensione generosa della seduta, realizzata in schiumato poliuretano con cinghie elastiche, e l'accogliente schienale consentono un alto grado di comfort.

EN — Buddy Oasi is a system of soft seatings that further expands the Buddy collection. Guinea

A tropical allure

DESIGN

Cazzaniga Mandelli Pagliarulo, 2023

EN — Guinea is an aluminium outdoor armchair with an iconic allure that evokes the concept of lightness and transparency. The aluminium frame combines with a seat in waterproof textile mesh on which rests a soft, removable cushion. Guinea can be customised in various configurations: the version with a waterproof textile mesh backrest is reminiscent of the traditional director's chairs, the version with the backrest in aluminium slats features more traditional, archetypical forms.

IT — Guinea è una poltrona in alluminio per outdoor che suggerisce un'idea di leggerezza fisica e visiva oltre che iconica. La struttura portante in alluminio è abbinata ad una seduta realizzata in rete tessile impermeabile sulla quale appoggia un soffice cuscino removibile. Guinea può essere personalizzata con diverse configurazioni: la versione con schienale in rete tessile impermeabile ricorda le tradizionali sedie da regista, la versione con schienale con doghe in alluminio è definita da forme più tradizionali e archetipe.

Griante

Woven comfort

DESIGN

Cazzaniga Mandelli Pagliarulo, 2025

EN — Griante reinterprets the concept of woven seating through a design that combines traditional craftsmanship and industrial production. The collection includes two different versions: one designed for indoor, made of ash wood, and one for outdoor spaces, in teak. The main feature of Griante is the handwoven seat and backrest made in Italy, with a polypropylene yarn belt with a soft, three-dimensional texture.

IT — Griante reinterpreta l'idea di seduta intrecciata attraverso un design che coniuga tradizione artigianale e produzione industriale. La collezione include due diverse versioni: una progettata per spazi interni, in frassino, e una per ambienti esterni, in teak. Elemento distintivo è l'intreccio del sedile e dello schienale, realizzato a mano in Italia con un nastro in filato di polipropilene dalla texture tridimensionale e morbida.

Panarea

Mediterranean breeze

DESIGN

Cazzaniga Mandelli Pagliarulo, 2020

EN— The idea behind Panarea is rooted in the Mediterranean coastline and brings to mind the colours and the refreshing summer breeze of a dinner on a terrace overlooking the sea.

The wide and curved backrest is woven in polypropylene cord which creates an original geometrical pattern and wraps around the tubular steel frame as far as the armrests. The lounge armchair comes with a wide seat and a high backrest.

IT— Panarea nasce da un'idea di paesaggio costiero mediterraneo, che riporta alla mente i colori e la brezza rinfrescante di una cena all'aria aperta in una terrazza affacciata sul mare e la luce conciliante e ristoratrice della stagione estiva. Lo schienale ampio e accogliente è intrecciato in corda di polipropilene che, nella sua originale geometria, crea una raffinata greca e avvolge il tubo del telaio in acciaio, coprendo anche i braccioli. La poltrona lounge è dotata di una seduta molto generosa e di uno schienale alto.

DESIGN

Cazzaniga Mandelli Pagliarulo, 2024

EN — Lamorisse Lounge & Sofa is defined by the contrast between the sober shape of the supporting frame and the rich enveloping soft cushions. The collection includes a lounge armchair and a two-seater sofa made of extruded aluminum for the outdoor version and steam-curved ash wood for the indoor version.

IT — Lamorisse Lounge & Sofa si caratterizza per il contrasto tra la struttura portante, dalla forma sobria, ed il cuscino ricco e accogliente. Una poltrona lounge e un divanetto a due posti realizzati in estruso di alluminio per la versione outdoor e in frassino curvato al vapore per la versione indoor.

Opale

Elegance that embraces

DESIGN
Patrick Jouin, 2025

EN — Opale is an armchair featured by a fluid and accurately balanced design. Each line ensures continuity and aesthetic harmony: the junction of the solid ash wood or walnut leg, armrest and backrest forms a subtle joint that defines the core of the chair's silhouette. The feature of Opale is the functional handle integrated into the rear of the backrest, that blends into the armchair's silhouette, enhancing its three-dimensional look.

IT — Opale è una poltrona caratterizzata da forme morbide e organiche. Ogni linea è studiata per garantire continuità e coerenza estetica: le gambe, in massello di noce o frassino, si integrano tra schienale e braccioli, formando un sottile giunto che definisce il profilo della poltrona. L'elemento distintivo di Opale è una funzionale maniglia integrata nella parte posteriore dello schienale, che si fonde con la silhouette della poltrona, enfatizzandone la tridimensionalità.

Héra

Fluidity of shapes

DESIGN
Patrick Jouin, 2019

EN — Wood - the ultimate natural raw material - is the inspiration behind Héra. Available in ash or American walnut, this armchair embodies the concept of lightness, fusing it with comfort. The backrest, in three-dimensional bent plywood, has a remarkably elegant and ergonomic design. The rectangular-section legs with round edge display an attention to detail.

IT — Il legno, materia prima naturale per eccellenza, ha ispirato Héra. Realizzata in frassino o noce americano, questa poltrona concretizza il concetto di leggerezza e lo unisce a quello di comfort e di avvolgenza. Lo schienale in multistrato curvato tridimensionale è gradevole alla presa, oltre che caratterizzarsi per eleganza ed ergonomia. Le gambe a sezione rettangolare con angoli raggiati esprimono attenzione ai dettagli.

Ila

L'île du confort

DESIGN

Patrick Jouin, 2020

EN — The elegant and high-quality Ila armchair is a refined piece of furniture with a strong personality, expressing utmost comfort, softness and sensuality. The smooth exterior in rigid polyurethane almost cocoons the user in its large volumes, allowing a moment of relaxation and escape from everyday life. This sense of protection is augmented by the inner side of the backrest and seat in flexible polyurethane foam, which adapts to the human body and envelops it just like a soft embrace.

IT — Ila sintetizza i concetti di eleganza e qualità, identificandosi come un arredo prezioso dalla forte personalità capace di esprimere comfort assoluto, morbidezza e sensualità. La parte esterna di Ila è realizzata in poliuretano rigido, liscio e teso, quasi a creare una protezione nei confronti di chi ha scelto di ritagliarsi un momento di relax e di evasione, all'interno dei suoi grandi volumi. Il senso di protezione viene inoltre suggerito dalla parte interna di schienale e sedile, a contatto con il corpo umano, in schiumato poliuretanico flessibile, quasi a cingerlo in un abbraccio.

Rêve et évasion

DESIGN
Patrick Jouin, 2022

EN — Born from the desire to create a flexible outdoor piece of furniture, Reva Cocoon is highly adaptable and configurable in a variety of ways to ensure comfort and personalisation, resulting in a new concept of elegance. Reva Cocoon is a system of lounge seats: sofas made up of linear and corner elements and chaise longues, with backrests in two different heights, woven with polypropylene cord. The high backrests of Reva Cocoon are defined by a double curvature embracing the perimeter frame in extruded aluminium.

IT — Nato dalla volontà di realizzare un arredo outdoor flessibile, Reva Cocoon si adatta e si compone in diversi modi per garantire comfort e personalizzazione, proponendo un nuovo concetto di eleganza. Reva Cocoon è un sistema di sedute lounge: divani composti da elementi lineari, ad angolo e chaise longue, con importanti schienali in due diverse altezze, ricoperti da un intreccio realizzato con una corda in polipropilene. Gli alti schienali di Reva Cocoon sono definiti da una doppia curvatura e abbracciano puntualmente la cornice perimetrale in estruso di alluminio.
