THE CASSINA PERSPECTIVE GOES OUTDOOR

Avant-gardism, authenticity, excellence and the combination of technological skill and local craftsmanship expertise. Cassina's identity is founded on solid and shared values that express the best of Italian and international design with a cohesive, recognisable and cultured approach. Through a unique weave of words and actions, Cassina has successfully amalgamated culture, craftsmanship and industry, reconciling tradition with research, rigour with emotions and uniqueness with experimentation, interpreting everyday trends thanks to its constant work on aesthetics and codification. The pioneering and free spirit that for over 90 years has placed this company based in Meda ahead of its time, has traced a unique path — in terms of intuition and farsightedness — through the world of interior design and architecture. In fact, in the 1950s Cassina marked the transition from artisanal manufacture to an industrial production; it was the first company to involve the most enlightened designers and architects in exploring the effects and influences of contemporary design with new forms; it was the only company to innovate in all areas of design, perfecting new structural solutions and envisaging possible ways of living inspired by society, art and fashion by focusing on the future, challenging conventions and defining new horizons.

L'identité de Cassina s'est bâtie sur des valeurs solides et communes, pour exprimer le meilleur du design italien et international grâce à un langage cohérent, reconnaissable, sophistiqué. DE Avantgarde, Authentizität, Exzellenz und die Kombination aus technologischem Know-How und lokalem handwerklichem Geschick. Die Identität der Marke Cassina basiert auf soliden, geteilten Werten, um das Beste des italienischen und internationalen Designs mit einer kohärenten, erkennbaren, gehobenen Sprache zum Ausdruck zu bringen. Durch eine ganz spezielle Verflechtung von Gesten und Worten hat Cassina es verstanden, eine Interaktion zwischen Kultur, Handwerk und Industrie in die Wege zu leiten,

This is why Cassina's designs are part of the permanent collections of the world's most prominent museums. Its products are durable and timeless, a synthesis of beauty and meaning, impeccable in terms of the quality of the materials and sartorial details. The perfection it has achieved in terms of carpentry expertise and leather and upholstery workmanship can still be seen today in masterpieces such as the *699 Superleggera* chair by Gio Ponti, the CAB family by Mario Bellini and the Maralunga sofa by Vico Magistretti.

In a continuous dialogue between the past, present and future, Cassina produces the iconic models designed by the architects of the 20th century for the Cassina iMaestri Collection: pieces by Le Corbusier, Pierre Jeanneret, Charlotte Perriand, Charles Rennie Mackintosh, Gerrit Thomas Rietveld, Franco Albini and Marco Zanuso are reissued, always with respect for the original design and functional concept, and modernised using the latest technologies. Since the 1950s Cassina has also produced seminal works of contemporary design by some of the world's leading designers, from Ronan & Erwan Bouroullec to Rodolfo

quotidianità grazie a un lavoro costante su estetica e tipologie. Con spirito pionieristico e libero, da oltre 90 anni l'azienda di Meda anticipa i tempi, tracciando un percorso inedito – per intuizione e lungimiranza – nel mondo del design e dell'architettura di interni. Cassina sancisce infatti negli anni Cinquanta il passaggio dalla produzione artigianale a quella industriale; è la prima azienda a coinvolgere i più illuminati designer e architetti nella narrazione, per mezzo di nuove forme, delle suggestioni e influenze della progettazione contemporanea; l'unica a esercitare l'innovazione a ogni scala del disegno: mettendo a punto inedite soluzioni costruttive, immaginando possibili prospettive dell'abitare ispirate alla società, all'arte e alla moda, mantenendo lo sguardo tenacemente proiettato verso il futuro, a sfidare il convenzionale, a delineare gli orizzonti del nuovo.

Per questo il design di Cassina è esposto nelle collezioni permanenti dei più importanti musei del mondo. I suoi prodotti sono durevoli e senza tempo, sintesi di bellezza e significato, curati nei materiali di qualità assoluta e nei dettagli sartoriali. La perfezione nelle lavorazioni di alta falegnameria, nella fattura delle pelli e nelle tappezzerie e imbottiti è rappresentata ancora oggi da capolavori come la sedia *699 Superleggera* di Gio Ponti, la famiglia CAB di Mario Bellini, il divano Maralunga di Vico Magistretti.

In un continuo dialogo tra passato, presente e futuro, Cassina realizza i modelli iconici creati dagli architetti del XX secolo con la Collezione Cassina iMaestri, in cui gli arredi di Le Corbusier, Pierre Jeanneret, Charlotte Perriand, Charles Rennie Mackintosh, Gerrit Thomas Rietveld, Franco Albini e Marco Zanuso vengono rieditati – rispettando

interprétant les tendances du quotidien grâce à un travail constant sur l'esthétique et les formes. Depuis plus de 90 ans, grâce à son esprit pionnier et libre, l'entreprise de Meda anticipe l'air du temps en traçant un parcours inédit – par intuition et clairvoyance – dans le monde du design et de l'architecture d'intérieur. Dans les années 50, Cassina saute le pas et passe de la production artisanale à la production industrielle. Elle est la première entreprise à impliquer les designers les plus éclairés et les architectes, au moyen de nouvelles formes, de suggestions et d'influences du design contemporain. Elle est la seule à innover sur tous les plans de la création : en mettant au point des solutions constructives inédites, en imaginant des nouvelles solutions inspirées de la société, de l'art et de la mode, pour habiter l'espace, en ayant toujours le regard tourné vers l'avenir, défier le conventionnel et dessiner l'horizon de la nouveauté.

Pour toutes ces raisons, le design de Cassina est exposé dans les collections permanentes des musées les plus importants du monde. Ses produits sont durables et intemporels, synthèse de beauté et de sens, édités dans des matières de qualité absolue et avec des détails haute-couture. La perfection du travail de menuiserie, la facture des peaux et des tapisseries et du matelassage est encore représentée aujourd'hui par des chefs-d'œuvre comme *699 Superleggera* de Gio Ponti, CAB de Mario Bellini et Maralunga de Vico Magistretti. Dans un dialogue continu entre passé, présent et futur, Cassina réalise les modèles iconiques créés par les architectes du XXème siècle avec la Collezione Cassina iMaestri, dans laquelle on trouve les rééditions

indem Erinnerung und Forschung, Strenge und Emotion, Einzigartigkeit und Forschung auf einen Nenner gebracht und die Trends des Alltags dank konstanter Arbeit an Ästhetik und Typologien interpretiert werden. Im Zeichen des Pionier- und Freigeistes ist die Firma aus Meda seit 90 Jahren ihrer Zeit voraus und zeichnet einen Weg vor, der aufgrund seiner Intuition und Weitsichtigkeit in der Welt des Designs und der Innenarchitektur einzigartig ist. Cassina festigt nämlich in den 50er Jahren den Übergang von der handwerklichen zur industriellen Produktion; Cassina ist die erste Firma, die die bedeutendsten Designer und Architekten über neue Formen, Suggestionen und Einflüsse des zeitgemäßen Entwerfens in die Erzählung miteinbezieht; die einzige, die Innovation auf jeder Design-Ebene anwendet: sie entwickelt noch nie dagewesene bauliche Lösungen, sie stellt sich mögliche Perspektiven des Wohnens vor, die durch Gesellschaft, Kunst und Mode inspiriert werden, und behält dabei stets und unermüdlich die Zukunft im Auge; sie fordert die Konventionen heraus und skizziert die Horizonte des Neuen.

Aus diesem Grund ist das Design von Cassina in den permanenten Ausstellungen der wichtigsten Museen der Welt zu sehen. Die Produkte sind langlebig und zeitlos, eine Synthese aus Schönheit und Bedeutung, mit sorgfältig ausgewählten Materialien von absoluter Qualität und mit sartorialen Details. Die Perfektion der Verarbeitung im Zeichen höchster Tischlerkunst, die Machart des Leders sowie der Bezüge und Polsterungen wird auch heute noch durch Meisterwerke wie *699 Superleggera* von Gio Ponti, CAB von Mario Bellini und Maralunga von Vico Magistretti repräsentiert.

Dordoni, Piero Lissoni, Gaetano Pesce, Philippe Starck and Patricia Urquiola, the company's art director. Today Cassina continues to look to the future of design with courage, passion, curiosity and an open and holistic approach. Confirming its exclusive ability to completely furnish *living* and *dining* rooms, the company has now expanded the horizons of its philosophy to the external spaces of the home with *The Cassina Perspective Goes Outdoor*: a concept, an informed and futuristic notion, a broad and detailed horizon of configurations in which the most innovative products are combined with the icons of Modern design to create authentic, welcoming and personal atmospheres. *The Cassina Perspective Goes Outdoor* combines the Collection iMaestri Le Corbusier®, Pierre Jeanneret®, Charlotte Perriand® — the Table à Plateau Interchangeable, now in an outdoor version, and the Doron Hotel Outdoor chair, also available in an indoor version — with three great contemporary designers: Philippe Starck, Rodolfo Dordoni and Patricia Urquiola. Interacting according to a code of formal sensibility, solidity and cultural authority, these naturally

accuratamente disegni e concept funzionali originali – e riattualizzati secondo le evoluzioni tecnologiche. Ed è anche l'azienda che produce le opere di riferimento del design contemporaneo dagli anni 50 all'attualità, firmate da alcuni tra i più importanti progettisti internazionali: da Ronan & Erwan Bouroullec a Rodolfo Dordoni, Piero Lissoni, Gaetano Pesce, Philippe Starck, e Patricia Urquiola, art director dell'azienda.

Oggi Cassina continua a guardare al futuro del progetto con audacia, passione, curiosità e un approccio aperto e olistico. Confermando l'esclusiva capacità di arredare gli ambienti *living* e *dining* in modo completo, l'azienda estende gli orizzonti della sua filosofia anche agli spazi esterni della casa attraverso *The Cassina Perspective Goes Outdoor*: un concetto, un pensiero consapevole e avveniristico; un orizzonte ampio e dettagliato di configurazioni, in cui i prodotti dall'anima più innovativa e le icone del moderno creano insieme atmosfere autentiche, accoglienti, personali. Così *The Cassina Perspective Goes Outdoor* abbina la Collection iMaestri Le Corbusier®, Pierre Jeanneret®, Charlotte Perriand® – il Table à Plateau Interchangeable, ora in veste outdoor, e la sedia Doron Hotel, una riedizione sia in versione indoor sia per esterni – a tre grandi interpreti contemporanei: Philippe Starck, Rodolfo Dordoni e Patricia Urquiola. Dialogando secondo un codice di sensibilità formale, solidità e autorevolezza culturale, questi sistemi di presenze naturalmente empatiche, capaci di adattarsi a interpretazioni e stili di vita differenti, esprimono l'anima di quattro ambienti open air. Quattro paesaggi privati – l'esterno contemporaneo, il rifugio tropicale, il piccolo paradiso privato, la ter-

du mobilier de Le Corbusier, Pierre Jeanneret, Charlotte Perriand, Charles Rennie Mackintosh, Gerrit Thomas Rietveld, Franco Albini et Marco Zanuso – qui respectent soigneusement les designs et les concepts fonctionnels d'origine – et sont réactualisés en fonction des évolutions technologiques. C'est aussi l'entreprise qui produit les œuvres de référence du design contemporain des années 50 à aujourd'hui. On y trouve certains des plus grands designers internationaux : de Ronan & Erwan Bouroullec à Rodolfo Dordoni, en passant par Piero Lissoni, Gaetano Pesce, Philippe Starck, et Patricia Urquiola, directrice artistique de l'entreprise. Aujourd'hui, Cassina continue de penser de futurs du projets avec audace, passion, curiosité et avec une approche ouverte et holistique. En confirmant sa capacité inédite d'aménager entièrement les pièces *living* et *dining*, l'entreprise étend aux horizons de sa philosophie les espaces extérieurs de la maison. Grâce à *The Cassina Perspective Goes Outdoor* : un concept, une pensée consciente et tournée vers l'avenir, un vaste horizon riche de configurations détaillées, où les produits les plus innovants et les icônes de la modernité créent ensemble des atmosphères authentiques, accueillantes et personnelles. Ainsi, *The Cassina Perspective Goes Outdoor* allie trois grands interprètes contemporains : Philippe Starck, Rodolfo Dordoni et Patricia Urquiola à la Collection iMaestri Le Corbusier®, Pierre Jeanneret®, Charlotte Perriand®, en transfigurant les couleurs des tissus et les finitions, et deux nouveaux projets de Charlotte Perriand – la Table à Plateau Interchangeable, désormais en version extérieure, et la chaise Hôtel Doron, une réédition à la fois en

In einem kontinuierlichen Dialog zwischen Vergangenheit, Gegenwart und Zukunft verwirklicht Cassina die ikonischen Modelle, die von den Architekten des 20. Jahrhunderts kreiert wurden: mit der Kollektion Cassina iMaestri, in denen die Einrichtungsobjekte von Le Corbusier, Pierre Jeanneret, Charlotte Perriand, Charles Rennie Mackintosh, Gerrit Thomas Rietveld, Franco Albini und Marco Zanuso neu aufgelegt und gemäß den technologischen Entwicklungen aktualisiert werden; die Originalzeichnungen und funktionalen Konzepte werden dabei strikt eingehalten. Cassina ist auch die Firma, die von den 50er Jahren bis heute die Bezugs-Werke für das zeitgemäße Design produziert, für die einige der bedeutendsten internationalen Entwerfer zeichnen: von Ronan & Erwan Bouroullec über Rodolfo Dordoni, Piero Lissoni, Gaetano Pesce, Philippe Starck, bis zu Patricia Urquiola, Art Director der Firma. Cassina blickt auch heute weiterhin auf die Zukunft des Projekts, mit Courage, Leidenschaft, Neugier und einem offenen, holistischen Ansatz. Die Firma bestätigt ihre exklusive Fähigkeit, Wohn- und Essbereiche nach einem Komplettkonzept einzurichten und erweitert mit *The Cassina Perspective Goes Outdoor* die Horizonte ihrer Philosophie auch auf die Außenbereiche des Heims: ein Konzept, ein bewusster, zukunftsweisender Gedanke; ein breiter und detaillierter Horizont der Konfigurationen, in dem Produkte mit innovativem Wesen und Ikonen der Moderne gemeinsam authentische, einladende und persönliche Atmosphären schaffen. *The Cassina Perspective Goes Outdoor* kombiniert Collection iMaestri Le Corbusier®, Pierre Jeanneret®, Charlotte Perriand®

empathetic systems, capable of adapting to different requirements and lifestyles, are the embodiment of four open air environments. Four private settings — the contemporary outdoors, the tropical refuge, the little private paradise, the metropolitan terrace — to enjoy in complete harmony with nature thanks to the high quality furniture, designed down to the finest of details and dimensions, completed by new outdoor lighting, rugs and accessories. The eclecticism and versatility of Cassina's designs in external living spaces is demonstrated with an unconventional, distinctive and powerful lexicon that expresses the tangible quality of both the individual piece and the ensemble that go beyond passing trends. With the instinct and the ability to envisage tomorrow's classics today.

razza metropolitana – aperti alla luce e al contesto, da vivere in sintonia con la natura grazie ad arredi in materiali di alta qualità, dalle forme disegnate nei particolari e delle dimensioni calibrate, valorizzati da nuove proposte di illuminazione, tappeti e accessori per l'esterno.

Mostrando l'eclettismo e la versatilità del design Cassina anche negli spazi esterni dell'abitare con un lessico non convenzionale, distintivo e potente, capace di esprimere la qualità tangibile sia dell'oggetto singolo sia dell'insieme, al di là delle mode effimere. E quell'istinto di anticipare nel presente ciò che sarà classico domani.

version indoor et outdoor.

En dialoguant selon un code de sensibilité formelle, la solidité et l'autorité culturelle, ces systèmes de présence naturellement empathiques, capables de s'adapter à des interprétations et à des styles de vie différents, expriment l'essence de quatre environnements extérieurs. Quatre paysages privés – l'extérieur contemporain, le refuge tropical, le petit paradis privé, la terrasse métropolitaine – ouverts à la lumière et à l'environnement, pour vivre en harmonie avec la nature grâce à un mobilier fait avec des matières de grande qualité, aux formes dessinées avec détails et aux dimensions adaptées, mis en valeur par de nouvelles propositions d'illuminations, de tapis et d'accessoires pour l'extérieur.

Nous montrons l'éclectisme et la polyvalence du design Cassina, également dans les espaces extérieurs, avec un lexique non conventionnel, distingué et puissant, capable d'exprimer la qualité tangible de l'objet en lui-même ou de l'ensemble, au-delà des modes éphémères. Avec cet instinct d'anticiper dans le présent ce qui deviendra un classique de demain.

in neuen Stofffarben und Verarbeitungen, sowie zwei neuere Projekte von Charlotte Perriand – den Table à Plateau Interchangeable in der Outdoor-Version, und den Stuhl Doron Hotel, eine Neuauflage sowohl in der Version für drinnen und für draußen – mit drei großen modernen Interpreten: Philippe Starck, Rodolfo Dordoni und Patricia Urquiola. Diese Objektsysteme, die über ein natürliches Einfühlungsvermögen verfügen und imstande sind, sich an unterschiedliche Interpretationen und Lebensstile anzupassen, bringen das Wesen von vier Außenbereichen zum Ausdruck. Sie führen ihren Dialog gemäß einem Kodex der formalen Sensibilität, Solidität und des kulturellen Ansehens. Vier private Landschaften – der Zeitgemäßer Außenraum, das tropische Refugium, das kleine Privatparadies, die Großstadterrasse – die sich dem Licht und dem Kontext öffnen, die im Einklang mit der Natur gelebt werden, dank Einrichtungen aus erstklassigen Materialien, mit Formen, die bis ins kleinste Detail durchdacht sind und ausgewogene Dimensionen aufweisen. Betont durch neue Beleuchtungskörper, Teppiche und Accessoires für Außenbereiche.

Sie zeigen die Eklektik und Vielseitigkeit des Designs von Cassina auch in den Außenbereichen des Heims, mit einem unkonventionellen, starken Vokabular, das sich unterscheidet und in der Lage ist, die greifbare Qualität sowohl des einzelnen Objekts als auch des Gesamtbildes zum Ausdruck zu bringen, abseits von vergänglichen Modeerscheinungen. Und jenen Instinkt, die Klassiker von morgen in der Gegenwart vorwegzunehmen.

CONTEMPORARY OUTDOORS

Large, luminous spaces dotted with vintage trees that has a breath-taking view of the surrounding landscape. Like a stage, the concrete exterior mirrors the minimalist style of the villa and becomes a new design opportunity: freely create intimate corners for relaxation and spaces for sharing by exploiting the modular nature of comfortable and versatile furniture, characterised by a sophisticated and ironic spirit and extreme attention to detail.

ESTERNO CONTEMPORANEO

Spazi ampi e luminosi, punteggiati da essenze secolari, e una vista mozzafiato sul panorama circostante. Come un palcoscenico, la superficie open air in cemento, che riprende lo stile minimale della villa, diventa una nuova occasione di progetto: così, c'è spazio per comporre in libertà angoli di relax più privati e isole di vera condivisione, sfruttando la modularità di arredi confortevoli e versatili, dallo spirito sofisticato e ironico e i dettagli curatissimi.

EXTÉRIEUR CONTEMPORAIN

Des espaces vastes et lumineux, parsemés d'essences séculaires, et une vue à couper le souffle sur le panorama environnant. Telle une scène, la terrasse en ciment, qui reprend le style minimaliste de la villa, devient un nouvel angle de l'architecture. Ainsi, cet espace offre l'opportunité de composer librement des espaces de détente plus privés et isolés, grâce à la modularité d'un mobilier confortable et polyvalent, à l'esprit sophistiqué et ironique et aux détails ultra-soignés.

ZEITGEMÄSSER AUSSENRAUM

Große, lichtdurchflutete Bereiche, die mit jahrhundertealten Bäumen besprenkelt sind. Ein atemberaubender Blick auf das umgebende Panorama. Wie eine Bühne wird die Freiluftfläche aus Zement, die den minimalistischen Stil der Villa übernimmt, zur Gelegenheit für ein neues Projekt: Auf diese Weise entsteht Raum, um privatere Ecken der Entspannung und Inseln der Geselligkeit zusammenzustellen. Dabei wird der modulare Aufbau der bequemen, vielseitigen Einrichtungsobjekte mit ihrem edlen und ironischen Wesen sowie den erlesenen Details genutzt.

LITTLE PRIVATE PARADISE

Dominated by a disruptive nature, where discreet architecture allows the air and light to design the setting, these open-air spaces are perfect for experimenting with eclectic compositions of furniture, creating harmony between materials and geometries, or a vibrant contrast between dimensions and volumes of the jacquard patterns. From the striking love-bed to the iconic chair from the Cassina I Maestri Collection, the products are eclectic but share a coherent and original style.

PICCOLO PARADISO PRIVATO

Conquistati da una natura dirompente, dove l'architettura discreta lascia all'aria e alla luce il disegno dello spazio, sono spazi open air perfetti per sperimentare composizioni eclettiche di arredi, creando rime di materiali e geometrie o contrasti vibranti di dimensioni e volumi in fantasie jacquard. Ritrovando sempre in presenze diverse – dal love-bed scenografico alla seduta iconica della Collezione I Maestri – un linguaggio coerente e originale.

PETIT PARADIS PRIVÉ

Il s'agit ici d'espaces extérieurs conquis par une nature impétueuse, où l'architecture discrète laisse de la place à l'air et à la lumière. Ils sont parfaits pour expérimenter des compositions éclectiques de mobilier, grâce à des matières, des géométries et des contrastes vibrants avec des dimensions et des volumes en fantaisie jacquard. Du spectaculaire Love-bed à la chaise iconique de la collection I Maestri, les produits sont chaque fois différents mais partagent un langage cohérent et original.

KLEINES PRIVATPARADIES

Von einer ungestümen Natur erobert, wo die Architektur den Entwurf des Raumes Luft und Licht überlässt. Perfekte Frei-Räume, in denen eklettische Einrichtungskompositionen erforscht und Gedichte aus Materialien und Geometrien oder vibrierende Gegensätze zwischen Dimensionen und Volumen mit Jacquardmustern kreiert werden können. Wobei man in unterschiedlichen Objekten eine stets kohärente und originelle Sprache wiederfindet - vom bühnenreifen Love-Bed bis zum ikonischen Stuhl aus der I Maestri-Kollektion.

TROPICAL REFUGE

Among the carefully designed architecture and the more exotic and verdant vegetation, the garden is a filter, a passage. An oasis in which to naturally reconnect with the environment, respect it and celebrate its vibrancy and wellbeing; a place to feel at one with nature on the sofas and armchairs, with their organic and primitive forms, excellent materials and visible details; a pure combination of design and spontaneity. For comfort that engages all of the senses.

RIFUGIO TROPICALE

Tra l'architettura, accuratamente disegnata, e la vegetazione più esotica e rigogliosa, il giardino è filtro, passaggio. Un'oasi in cui ritrovare il legame più sincero con il contesto e celebrarne il rispetto, il vigore e il benessere; dove sentirsi in osmosi con la natura su divani e poltrone, dalle forme organiche e primitive, in materiali eccellenti e con dettagli a vista; pura combinazione di progetto e spontaneità. Per un comfort che coinvolge i sensi.

REFUGE TROPICAL

Entre l'architecture, soigneusement dessinée, et la végétation, plus exotique et luxuriante, le jardin est un filtre, un passage. C'est une oasis où retrouver un lien plus sincère avec l'environnement et en célébrer le respect, la vigueur et le bien-être. Un refuge où se sentir en osmose avec la nature sur des canapés et des fauteuils durables, aux formes organiques et primitives, dans des matières de très grande qualité et avec des détails apparents, pure combinaison de projet et de spontanéité. Pour un confort qui associe les sens.

TROPISCHES REFUGIUM

Der Garten ist ein Filter, ein Übergang zwischen der sorgfältig entworfenen Architektur und der üppigen exotischen Vegetation. Eine Oase, in der man die aufrichtige Bindung zur Umgebung wiederfinden und ihre Achtung, Stärke und ihr Wohlbefinden zelebrieren kann; hier kann man sich auf robusten Sofas und Sesseln mit organischen, ursprünglichen Formen aus erstklassigen Materialien und mit deutlich sichtbaren Details im Einklang mit der Natur fühlen; eine reine Kombination aus Projekt und Spontanität. Für einen Komfort, der zum Sinneserlebnis wird.

METROPOLITAN TERRACE

In the city but *al fresco*. The metropolitan terrace becomes a view point to examine the city's architecture but also an intimate haven that retains the warmth of the home. The dining and living areas reflect the personality of their inhabitants; the space is optimised thanks to the modularity of the furniture and the use of accessories, stimulating a dialogue between form and function to create an elegant and naturally hospitable atmosphere.

TERRAZZA METROPOLITANA

In città ma all'aria aperta. La terrazza metropolitana diventa belvedere sull'architettura cittadina ma anche rifugio intimo, che rivive il calore della casa. Le aree dining e living si delineano in scenari che rispecchiano la personalità di chi le abita; lo spazio viene ottimizzato, grazie alla componibilità degli arredi e all'uso di elementi accessori, incoraggiando un dialogo di forme e funzioni che crea un'atmosfera elegante, naturalmente ospitale.

TERRASSE MÉTROPOLITAINE

En ville mais à ciel ouvert. La terrasse métropolitaine devient belvédère sur l'architecture citadine, mais aussi refuge intime, qui renvoie au caractère chaleureux de la maison. Les espaces «dining» et «living» reflètent la personnalité de ceux qui les habitent. L'espace est optimisé, grâce à la modularité du mobilier et à l'utilisation d'accessoires, appuyant un dialogue entre les formes et les fonctionnalités qui créent une atmosphère élégante, naturellement accueillante.

GROßSTADTTERRASSE

In der Stadt und doch im Freien. Die Großstadtterrasse wird zum Aussichtspunkt auf die städtische Architektur, aber auch zum intimen Refugium, in dem die häusliche Wärme des Heims wieder auflebt. Die Ess- und Wohnbereiche zeichnen sich in Szenarien ab, die die Persönlichkeit ihres Bewohners widerspiegeln; der Raum wird durch zusammenstellbare Einrichtungselemente und Accessoires optimiert. Er ermutigt zu einem Dialog der Formen und Funktionen, der eine elegante und auf natürliche Weise einladende Atmosphäre schafft.
