Outdoor collection 2027

Design, comfort e performance in perfetta armonia. / Design, comfort, and performance in perfect harmony.

Outdoor living.

La collezione Outdoor 2027 homemotion nasce per interpretare ambienti open-air che vogliono esprimere carattere, comfort e raffinatezza: terrazze, giardini e spazi contract si trasformano in luoghi da vivere in ogni stagione, progettati con libertà compositiva e una visione coerente del design. Un invito a creare atmosfere su misura, dove estetica e performance convivono in perfetta sintonia. Abitare emozioni. /

The homemotion Outdoor 2027 collection is designed to interpret open-air environments that express character, comfort, and refinement: terraces, gardens, and contract spaces become places to be enjoyed in every season, shaped by compositional freedom and a cohesive design vision. An invitation to create tailored atmospheres, where aesthetics and performance coexist in perfect harmony. Live emotions.
